	8811631S10490	REGULUS DV800-30E PLATE HEAT EXCHANGER	1300,49
	8811631S10495	DV503-40E PLATE HEAT EXCHANGER  DV503-40E Plate Heat Exchanger, insulated 4 x 1 Male connections Insulation included Stainless steel plate heat exchanger designed for efficient heat transfer between various fluids. It consists of thin pressed plates made of high quality stainless steel, brazed with copper. EPDM insulation jacket that resists a temperatures up to 175°C. Applications: Heating systems Domestic hot water production Solar thermal systems Pool heating WEIGHT 7.885 kg DIMENSIONS 170 X 200 X 590 mm	825,00
	8811631S9551	DV193-60E PLATE HEAT EXCHANGER ***	191,92
	8811631S9553	DV285-20E PLATE HEAT EXCHANGER, INSULATED 125kW ***	224,67
	8811631S9555	DV285-45E PLATE HEAT EXCHANGER ***	325,38
